Petals

👁 24 ✓ 1 ★ 3

Chapter 1 by Fanwizard

The petals land into the water
One by one
They float downstream
Their bright colors standing out in the clear water
And more follow

Chapter 2 by Lucy

They follow to not get left behind.
They follow to bring others beauty.
For these petals were made to be light.
Light,
Love,
And hope.
These petals were made for people who can not bring these things to themselves.
These petals were made to float downstream,
and bring a little bit more beauty to the world.

Even if it's just a little bit.
